Note to File

11-16-90

11-15 - Gerry DeB called - conf. w/ Jeff & ~~ERB~~
Plan was to file US (PM 1475) before Dec. 1
& try to get the foreign done, too - (For. filing
license might be a problem)

11-16 - called P. Lloyd - said no need to
file foreign by Dec. 1 - only before any
publications.

- also conferred w/ Jeff again re strategy.

Final plan - to get US on file ASAP &
follow suit w/ foreign as soon as FF
license in hand.
